SUPPORT A "PUB MANIAC" & HELP CHILDREN IN NEED

I will be one of 360 "Pub Maniacs" helping to raise funds at Patrick's 15th Pub Mania event happening on December 10, 2026 to benefit the Greater Lakes Region Children's Fund. **Last year $883,023 was distributed to 75 non-profit organizations serving children and families in need.**

Over the years, Patrick's Pub Mania has helped raise more than $4.3 Million and is the largest fundraising event ever supporting the Children's Fund mission.

Your donation (any amount) will make a difference!
Please make checks payable to Greater Lakes Region Children's Fund (tax deductible receipts are available) or donate online via Patrick's Pub Mania webpage at www.PatricksPub.com/PubMania. Follow the "Click Here" to "Make a Donation" and be sure to select my team and name.

THANK YOU for sponsoring my efforts!

Pub Mania…What's it all about?

Pub Mania, self-proclaimed as the 'Greatest Barstool Challenge in the World', is a 12-Hour event that puts the 'fun' in fundraising with a variety of games, contests and live music. 30 passionate teams of 12 people 'man' their barstool with a different team member each hour. Patrick's provides food, beverage & entertainment to participants, while teams enjoy a spirited competition for top awards. Any and all are welcome to visit Patrick's during the Pub Mania event.

Where does the money go?

The Children's Fund's Executive Board makes their best effort to determine which non-profit organizations are having the greatest impact with children & families. Visit www.ChildrensFundNH.org to see exactly how the money was distributed last year. The need is so great, but it is not greater than the hearts within our community who make the magic happen every year!
